“ I miss you more then you will ever understand grandpa. I can only hope and pray I am half the person you were. You have taught me so much in my life and given me and my family more then I could ever thank you for. I hope you are looking down and make you proud. I wish I could have one more day and just hear you laugh one last time. Don't worry about nanny, we have her well taken care of and just when you were around she will never go without!! Until we meet again grandpa, I love you and miss you!!
