“ *We would like to send our deepest sympathy to the Trippi family. Paul grew up a few blocks from our family and was a dear friend to my brothers and all our family memebers. I remember when my brother John passed that he came to our house with Nick Congemi to break the horrible news to my mother. I was very touched because he knew us all and he was there to comfort us. Sending our prayers to you. The Stoulig Family*

“ *Aunt Gwen I would like to send my condolences to you and the family. I am so sorry very your loss of such a wonderful man. I will always remember my Uncle Paul not only as my best friend but my hero. He had a heart of gold. He will be missed by many. Those who were blessed to have met him had a friend for life. Now he is our Guardian Angel watching over you and the family. It won't surprise me if he doesn't play tricks on some. He was always a joker. Always in my Thoughts & Prayers. I am going to try to make the service but I am scheduled to work. I am looking for someone to take my shift fir a couple of hours. Call if you need to talk...*
