“ . I would like to thank the Guidry’s family for given me the opportunity to share in the homegoing celebration of their loved one. I adored Mr. Guidry, he didn’t complain although he was in pain, had problems with swelling and breathing. As Mr. Guidry Home Telehealth nurse Mrs. Guidry was very supportive in assisted me with delivering the best care possible to her husband. She kept me informed of how he slept during the night, his pain concerns, was he more short of breath than usual, or was he more swollen. Mr. Guidry never complained about anything. Mrs. Guidry was his sounding-board. When she was unable to encourage him to go to the Emergency Room. Mrs. Guidry will contact me, and I will speak with Mr. Guidry and encourage him to go to the Emergency Room. In a polite way Mr. Guidry stated, “I will go to the Emergency Room Carrie, but after I eat Lunch.” Majority of the times when he went to the Emergency Room. He was admitted to the hospital. Although I never met Mr. and Mrs. Guidry until recently at the Veteran Administration Hospital. This is my favorite memory meeting them in person. It was just like I have known them for years. They revealed characteristics of true Christians; compassion, loves for God and Church. Mrs. Guidry: you and your loved one will be in my thoughts and prayers. Mrs. Guidry feel free at any time to contact me. Love You.

Let not your heart be troubled, ye believe in God, believe also in me. In my Father’s house are many mansions. If it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself, that where I am, there ye may be also. John 14:1-3
