“ *Dallas, Adele, and Mary:
Walter and I want to let all of you know how much we are hurting for you right now. There is nothing that can make up for the loss of a loved one, especially one as vibrant and caring as Pete. We wanted to be with you yesterday, but Walter's health prevented it. I hope you will understand, and know how much you are loved.

“ Mary,
We hope the knowing that Peter is safe in the arms of his Heavenly Father will bring you and the children some comfort at this time. We will all miss that big warm smile. I will always remember how enthusiastic he was when he found a rare collectible. He was truly one of a kind; a fine young man, a good husband, a wonderful father and a loving son and brother to his family. God Bless you and the children.
