“ *Phil was a long-time friend of mine...over 20 years. He would've given the shirt off of his own back to anyone.*

We've been fishing, trawling, hunting, skeet-shooting, and motorcycle riding many days. We worked together for a few years and spent countless hours on back roads across the country. Phil was always a free spirit. He had a true passion for the outdoors and never wanted to be tied down for too long. Phil now has his eternal wings and will forever be free.

I will miss you my brother. Rest easy.
