“ *Dear Rosemarie, I was so saddened to learn of your mother's death. I taught you in second grade at St. Anthony's School. Every day after school I would go to your home for tea with your Mom. Several times I tried to locate her over the years but was never successful. I loved her so much and she sure did love you. You were a beautiful little girl. I can still see you in my mind's eye. I will keep your family in my prayers.*
