“ *Mrs. Phyllis, you were one of the most precious loving kind of mother aunt and friend to all of us kids who grew up around you. There are so many precious memories of the " Bonnette Home in Susan Park" that every kid of the 70's and 80's will forever treasure because of you and Mr. Bobby. Thank you for the best times of my teenage years. Until we meet again at Heavens Gates all my love, Linda Brown (Elston-Ward)*

I would like to say Thank you to all our family and friends, who has showed their love and support ,not only now but always. Mom was always the glue, supporter, encourager for our family. She was a strong woman ,who handled hard times and good time, with Grace, Love and no judgement . she will be missed, but never forgotten.

To the two rocks in my life Ronald and Philip, I would not know where we would be today with out them,

Philip, you and your family took care of mom day in and out when she lived in Pearl River, grocery shopping, doctor appointments, support and encouragement to continue on after Dad's passing, Thank you to You and Laura and the kids

Ronald what can I say you, you have been here for it all , you should be very proud of yourself you showed so much love, unselfishness, support to mom and all of us, when mom needed any thing you were at her side, event, dances, groceries, doctor, hospital, casino fun, she could not have had any better Care any where than from you, Thank you to you and Becky and the boys. I love you all and thank from the bottom of my heart, I promised mom we will still do holidays and Sunday dinners, see you on the weekend, Phyllis Ann

Just wanted to say Thank You to all of our Family and Friends for the Prayers and support during this time.

Mom was a special Lady as you all well know and will be missed by many of those who's heart she had touched over the years.

I want to Thank my sister and brother, Phyllis and Ronald for all of their LOVE, caring and support for mom over the last couple years since she moved back to Kenner. I know she felt that Kenner was her home. But to Phyllis, a special Thank You for taking Mom into your home over the last 3 months and providing her with a place of comfort and caring I don't think she could have gotten anywhere else. Ronald and I are truly grateful for that.

I Love You both and appreciate all that you have done.
