“ I only met Pradeep a few months ago, through our mutual friend Jerry. Everytime I visited, despite his condition, he always greeted me warmly and with a big smile. There was a special connection. We chatted a little and let me pray for him. He was always happy to see me, even as his condition deteriorated. I had been planning on visiting him the Sunday he passed, but never got the chance. I will miss him and his smile!!!!

“ Some fond memories of Pradeep and his family that we neighbors shared during our various gatherings. We always enjoyed eating and laughing together, 😊 and, occasionally, ... being serious. 🤔

“ Pradeep is a gentle giant, always smiling and positive in life. Even when he had his Chemo and was in pain he still has smile on his face. Amazing fighter and very good inspiration. I was the one who recieved him in airport when he arrived first time in US and am glad to be part of his journey.
