“ Randy, Ray , and Mikey were all good friends of mine growing up. We have sooo many memories together, too many to list. Randy was a great guy that I wish I would have visited more. Rest in Peace brother. I will definitely toast to you tonight.

I will truly miss Randy and I know he is with his mom and dad now in a better place. He deserved so much more than he got. I love you Randy and pray you are really happy to be in heaven with Jesus and your family. My heart is broken and the memories I have I will cherish in my heart.

I know that Randy didn't have an easy path in his short life, but I also know that he is in a better place where he can rest in peace. I will be praying for his family.....
