“ We are thinking of you with all our heart .There is nothing I can say to help you through this. Just know I am praying for all of you. wish we could have visit with you all more. I will come see you some time in July. I know he was the apple of your eye. Read your bible and pray God comforts those that mourn .I will be calling you when I feel it is the right time. Tee and I would have wanted to be there. He is having some medical problems and prevented us traveling. Love Tee and Dorothy
