“ *Raymond and I worked together at Helm for many years. We shared not only a professional relationship, but a personal friendship as well. Ray was always happy and helpful both instore and outside the work place. I'm not sure what Ray liked more, to laugh, or to make other people laugh. Whenever you saw him he always had a smile and you knew there was a joke or two to follow. To sum it up in a few words, Raymond was a good man, and I was proud to have him as my friend, you will be missed.*
