“ *IRegina was a very friendly, loving lady and I enjoyed talking to her so many times. The first time I met her I realized how very honest and caring of a person she was. While we only knew each other at the Fifty's plus and after church talk I feel blessed to have known her. I loved her Brooklyn accent and her talking about her kids, I like to talk about mine too and we'd have the back and forth exchange of our families. By the way she always said how blessed we both were to have such great kids and a loving, caring family. After today I could see why she said that of all of you. Thank you for sharing her service with us and the delicious get together after the Mass. Take care of yourselves as I know it will be hard for you to be without her. She will be missed by me also. God will help you in your sorrow in the time ahead just ask Him, I know from experience He'll be there. June Gebbs Aymami*

“ *Connie and I are so sorry for your loss. Regina was a terrific person. She was so devoted and dedicated to her family. Rarely would a subject come up where Regina would not mention something about one of her children. She loved her 4 children dearly. She also was very devoted to her husband, Bob. She and Connie had many memorable days while Bob and I worked in Clarksdale, MS on a job for GE. Her stories of events that occurred with her, Bob, and her children were priceless. It was obvious that she was a devoted Catholic, and she loved her faith and her Lord. We knew that at 9 am everyday, she would be at daily mass, and she even got Bob to go with her many times! Regina always had a soothing voice, tone, and demeanor about her. We will definitely miss her. She was a bright light for this world.*
