“ I am so glad you were able to share in Lucien's graduation. You were so proud of him. You wore a smile the whole day. We love you and will miss you forever. No one could tell a story better. Entertain heaven until we meet again. I hope when we get there we all look as good as you forever.

“ She either had that big smile or watch out she was gonna let you have it! Somehow over 25 years I managed to stay on her smiling side;) Every time I would stop in, she would say " My Beautiful Angel Baby" I am soo going to miss her, I offer my condolences to all of her family. I know she will always be missed. Love, Angel Wiley Barrios & My family
