“ *Hi my name is Kim and I worked with Rick for a brief moment in time at UCC. We were hired together--so imagine the shock I feel at finding out he passed away. He was a one of a kind and his words still inspire me today. I am sorry he is gone so soon, he was a glorious personality! He onced asked me, why am I so happy all the time? My response was the alternative, was boring and he gave me that Rick grunt and smile and walked away like John Wayne... The next week he left the company, saying he needed to find something that made him that happy all the time...Peace brother Rick, peace.*

“ *My name is Angel, I am one of Jehovah's Witnesses. Loss of a loved one can be painful to endure, but the bible can offer us comfort in our time of grief. At John 11:25,26, Jesus tells us, "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life; and everyone who is living and exercises faith in me will never die at all." The resurrection hope is a real source of comfort to all those who have loss loved ones in death. If you would like to know more about what the bible teaches about the resurrection hope, please contact your local Kingdom Hall for a free bible study. Your family is in my thoughts and prayers during this difficult time.*

“ *Cindy,
We were so saddened and shocked to hear of
Ricks passing. We have thought of you both
and your family often, wondering how you all
have been doing. A life taken to suddenly.
You and the kids are in our thoughts and prayers. I'm so sorry..*
