“ I would like to start with my condolences to Richie's family, my thoughts and prayers are with you. No words can express the sorrow I felt when I got this horrible news. Richie Mac was most likely the best friend I ever had, most likely the best friend anyone ever had. He was a sincere individual and treated me like I was part of his own family. There will always be a void in my heart in his absence from my world, I looked up to him like a father figure. If I wrote everything I appreciated about him here, I'd likely run out of space. If I wrote anything I didn't appreciate about him, there'd be nothing witten at all. Rest in peace my dear friend...

“ We want to extend our sincere condolences to Janet, Dondi Monti Sofia and little Dondi. Our families have shared many years of friendship and good times together. The good times we spent together will always be a part of our lives. Richard has more friends than most people could ever hope for. His kindness generosity and willingness to help others that needed help will always be remembered and are one of the reasons he was liked by so many people. Should there be anything we can do at this time we are here. You have our love and friendship forever. Donald and Susie LeFebre
