“ *We are so sorry to hear about the passing of your Dad. Rob and I are so grateful to have had the pleasure and honor to have met him at such a joyous occasion as your wedding. He made us feel comfortable right from the start...talking about fishing, dancing and the pleasure of raising his family and all the memories that he had. We really enjoyed all those days .... it will be one of our favorite times and memories. You were very fortunate to have such a special Dad. God bless him and all of you in this sad time. May all the memories you have of him comfort you and know he was so proud of each one of you.*

“ *I am so saddened that your Dad died. One of my favorite memories was when I would pick you up and at times Stephanie to go clubbing, your Dad would get y'all to dance before leaving. Dancing is the heart's joy, and he would always remind y'all of that. I feel so lucky to have known your Dad. Take strength in knowing he is dancing on clouds.*
