“ *My deepest condolence to the family.*

Rita, I will miss you. You were more than my classmate. You were my friend. You always managed to find me. You would pass by my mothers house just to tell her you wanted to talk to me and she would call me for you. We would talk about anything and u always ask when you leaving Texas. I am heartbroken. Now you have your wings my friend. We will see each other again. 🥹🥹🥹🥹
