“ Robert was a quiet giant. A man that truly loved and provided for his children. He had a tremendous heart and touched the lives of many people. The world just got a little darker since he left. He will be missed and never forgotten. He will forever live on in the hearts of many.

“ Uncle Robert, we are going to miss you so much. You truly were a great man. You were a great Father, brother, grandfather, uncle and I'll miss you every day. I wish so much you'd have been able to meet your great niece, I know you would've loved her as much as you loved me. I'll miss all of the laughs, your food lol, all of the times around grandma's table that we shared as a family. But you'll live on in all of us, in your kids, in your grandchildren, your great grandchildren. Rest in paradise and give grandma a big ol hug and kiss from me.
