“ I first met Bob when I was my freshman year of high school in Deer Park Texas. He was my health teacher. He taught health and Coached Girls Basketball. I was not on the basketball team. I was a swimmer. I swam all 4 years of high school. In 1972, he became the Swim Coach. That was the beginning of my senior year at Deer Park. We both started at DPISD in 1969 and finished at DPISD in 1973. That became our joke "we went to high school together". He and his family moved off to Louisiana in 1973. We kept in touch over the 50 years after my graduation. He was my friend. He provided me with words of wisdom and "fatherly advice" over the many years of our friendship. He was a Marine and in 2005 my son joined the Marine Corp. One of our fellow swimmers was my son's Colonel at Camp Pendleton. Bob made sure to check on the Colonel, Ron Yowell, and my son during that time period. If Deer Park made the news, Bob was there on the phone checking on us and making sure we were okay. He and Paulette attended several of our class reunions. DP classmates enjoyed visiting with both of them. During one of their visits; we enjoyed getting together at my home with swimmers and basketball girls during their brief stay in Deer Park. He was one of a kind and will be greatly missed. I enjoyed viewing the video of photos and seeing everyone together over the years. He truly loved life and had a wonderful family to share his life with. My last text message was on Father's day to let him know we were thinking about him. I won't be attending the service, but will be with all of you in spirit. Thank you for making me feel like part of your family. Love to all, Debbie Reno ~ Texas. Special hugs to Paulette....59 years together with Bob...and so many adventures together....my heart feels your loss.
