“ *Bobby and Yolanda were some of the best neighbors we've ever had in our 46 years of marriage. Bobby was such a hard working man. Even throughout his illness, you could catch him manicuring his lawn, mowing his grass and even backing his truck into the driveway after a long day at work. Bobby was not a man of many words, but if he did have something to say, it was genuine, just as his kind smile always was. Our prayers for Yolanda, his family and friends will continue, as this will not be an easy transition. May they find peace in knowing that Bobby is no longer suffering and they will meet again. He knew his time to meet the Lord was near and he accepted that fact with grace and dignity. We will always love and remember you, Bobby, and Yolanda we are right next door when you need us. God bless*

“ *Love this sweet sweet man, always smiling. Bobby you're going to be missed dearly.*

A memory... your nephews Ethan and Dylan were in the pool, you started tossing them in the water, and they LOVED IT!!! They hurried out the water right after being tossed in, running back to you, yelling higher Uncle Bobby, higher!!! I can still hear the giggles they couldn't control, thank you for letting them be boys.

Yolanda, our love and prayers are with you, and all the family. As friends, he was always happy to be around. Dearest Heavenly Father, it's in your sons name, Jesus Christ, that we pray you comfort our friends in this very sad and sorrowful time, help them to stand with you and feel your love. Amen 🙏❤️🙏
