“ *Dear Miss Celie Sharon and Susan,  
Dad and I would like to express our sympathy  
to you and your family for the loss of Mr Bob.  
Even though we moved out of the  
neighborhood in 1980 we kept in touch  
through the years because we remained friends.*

*I was trying to get Dad to recall a memory he could share about Mr  
Bob, something about the swimming pool in your back yard when  
the girls were younger and a concert we all went to years ago...  
I know the prayers from all of your family and friends will wrap you  
all in the comfort of Gods embrace. Rest in peace Mr Bob.*

“ Dearest Celie, Sharon, Susan, and Grand kids.

You all know how much Bob meant to his many friends and to our family in particular. He was always there for us. I know the lights shine a little less bright on Sophia St. tonight as a true bright spot in the neighborhood is gone. Sad as we all are, we know he had a good life and loved you all. And as I do for our Vets, I say Stand down, Sailor. Your watch is done. Let those of us left behind assume the watch in the manner you would do. This includes watching over you family as you would want. Know Bob that you can rest in peace as your Community and Church will do just that. So long to the "New York Cab Driver" and great friend to all who knew him.

Joseph "Joey" Mitchell Jr. and Family  
Tell Bud and Mr. Ben hello for us.
