“ *Dear Lord, please comfort those in grief,
Love them, lift them, give relief
For loss they've suffered, sadness felt;
Make this sorrow slowly melt.*

*Lord, let happy memories ease,
Creating peace like a gentle breeze,
And as you help them make it through.
Draw them closer, Lord, to you.*

Sincere condolences on your loss.

“ *This hurts our hearts. He was THE BEST brother and friend anyone could ever have. He was THE BEST husband and father to you Rhiana and to Ryan. He took such great care of us during evacuations and we made some great trips together ... Not to mention all of our "parties, get-togethers, and craftshows.. Etc. and mostly I recall watching him "watching you "and the kids... When ya'll are cutting up and laughing and having fun! . Thats when he smiled the brightest and when his true love for ya'll shined so bright. We have great memories through all these years and I know that God will comfort you and the kids especially when recalling the best of times shared. Love you all so very much. Stacie, Scott, and Brenden.*
