“ Sue,  
Suzann and I send our heartfelt condolences to you and the family. Bobby was such fun to be around. When we knew you were coming to the annual seafood supper we were always anxious to hear what he would have to say. Bobby had such a special way of looking at life and always could find humor in anything that happened. He was special. I'll never forget our trip to Hawaii in the early 80's when, hardly off of the plane, he was mistaken for Hawaii's most famous entertainer, Don Ho! He quickly accepted the role and always greeted his admirers with a wave and smile. I think he even gave some autographs! I'll never forget the night he was locked out of his hotel room and was in the hall with a towel rapped around him and a large strand of Kauai Nuts dangling from his neck. He was always a source of happiness and fun.  
Yes, he will be missed but we'll always remember him for the great person he was.
