“ *I loved you like no other. You were fun, exciting a mans man and complicated. I was so fortunate to meet you and your sister Debbie. You opened my eyes to many things and places. I'm sorry I didn't get to see you one more time. My heart aches over this. I thought it better to go our separate ways but I never stopped thinking or dreaming of you. Always loved you and sister Debbie to the moon and back. RIP RA. Till we meet again.*
