“ *" So sorry to hear of Uncle Ronnie's passing. I know he is my mother and momo. I remember all the times we would talk on the phone and the times we spent together across the lake and at the shop. He was my god father and uncle and will be missed. Uncle Ronnie you would always give me a penny for my thoughts, so I am sending you one now and all my love.

“ I am so very sorry to hear of Uncle Ronnie’s death. My mother always talked about how much she loved her little brother. I have so many fond memories of visiting him at his home and seeing him at the shop on Bore Street. I remember when I was a little girl spending summers with Momo and Uncle Ronnie would come in the house for lunch. I loved the time we spent across the lake as well. Sending prayers and love. He is with my mother and Momo in heaven now. Love, Debbie Goodlett

*“ The pain that I am feeling never seems to go away. I wish I could visit Heaven if only for a day. I know that you would hold me and whisper in my ear, do not think of me gone away. Because I am always near. I know you're in a better place where you are at peace and free to be happy in eternal life. You can still watch over me. Although the door between our worlds is closed and we're apart. Until the time God opens it, you're always in my heart. It was an honor to call you my Father. I know hour heart was big enough for your six children and more. You are our Guardian Angel. I love and miss you Daddy.
