“ *Pops still can't believe your not with us anymore. My biggest memory of you from day one was, what are you drinking? Can I get to coke, beer, heck how about a glass of wine. Always with a smile and a giggle. Love and miss you pop till we meet again. ❤️*

“ *Always remember you fondly, Uncle Ronnie, from picnics at Lake Lanier to fried turkey at the holidays. Brant*

“ *Ronnie was a good neighbor; a one-man neighborhood watch-man. Living close, we got to see the softie he was inside his protective shell. He professed not to want to have anything to do with our cat; didn't want it anywhere near his backyard. Yet, once when we returned from a trip during which his children had agreed to look after the cat, we found Ronnie up a ladder trying kindly to coax the feline down from his tree. Fond memory.*

“ Hard to believe my wonderful brother is gone. I do not believe I ever saw Ronnie without that beautiful smile on his face. Always so positive and cheerful. Always up to a challenge, and accomplished so much because of his attitude. A dedicated servant to his community and country; but most of all, a dedicated father and husband. So proud of you, Ronnie. Love, your baby sister, Janet.

“ One could always count on a smile from Ronald on any given day when visiting the post office. He could even make you forget it was raining outside with his sense of humor! Sincere sympathy to his family for strength during this challenging time. He certainly lived his life well between the dashes, 1930- 8-31-2020!! Rest in peace, sir!!
