“ *Richard and I were so happy to get to know you all better when you were in Blairsville during the Katrina event. Mr. Mancuso held up so strong during those trying times, but was so glad to get back to his home in New Orleans. Now I know he is happy in his everlasting home....heaven. We love you all. “ *Mr. Ronnie, I'll never forget the night you drove me and my Dad home following the Krewe of Diana parade in Metairie. My flagpole didn't come apart, so it "rode" out of the window all the way home! You were a very close and wonderful part of my life and I surely will never forget you! Gary has always said what a brilliant and talented man you were, and that you were extremely respected in the electrical industry. If Gary had a difficult time getting in to see a customer, all he had to do was mention "Ronald Mancuso" and the doors flew open! I know that's what the gates of heaven did when you knocked! Always in our hearts, Elaine and Gary Spiess*

“ *If tears could build a stairway,
And memories a lane,
I'd walk right up to Heaven
And bring you home again.*

*PawPaw, I love you and miss you everyday. You will be forever in
my heart!
All my love, Juju*
