“ *Granny, you really were my best friend as I was yours. Kyle and I meant the world to you and you never let us forget how much you loved us. I would always look forward to seeing you and talking to you. I could tell you absolutely everything. There is no one else in my family that I was this close too. And now that you are gone i don't know what to do. You truly meant everything to me and to know that I won't ever be able to talk to or ever see you again crushes me. But, I know that you are in a better place watching down on me and the rest of the family, I just wish you could have had more time with us here, because it was so unexpected. I Love You So Much Granny and you will always be in my heart. ?*

“ *Benni,
I am so sorry for the lost of your wife, Rose.
I never had the pleasure to meet Rose but hearing you talk of her she must have been a great wife to you and a great mother and friend.
Rose will be in our prayers.
God Bless*
