“ Hey Paw Paw. It's hard to believe you're no longer with us here on this earth, but we know you're in heaven smiling down on us. I have so many great memories of you that I will keep in my heart always. I remember when you and Maw Maw came to visit us in South Carolina and we went out to eat. We were sitting there eating and you asked me and Laura "what does the mayonnaise say when you open the refrigerator?" Of course we didn't know and you said "close the door I'm dressing". That's just one of many things I'll always remember. Although we won't be able to make it to the funeral to celebrate your arrival in Heaven, we love and miss you dearly and will be there in spirit. Thank you for being a great grandfather and we'll see you again one day.

Love,

Gerard Entwisle

LE

We planned to make a trip there first of next year to see you all to visit so you could meet your great grand kids. Wish I would've came much sooner and more often. I'm sorry. I love you and will hold on to the memories of you.

Love,  
Laura
