“ What a "MAN"! One of the friendliest, funny and always a please to speak to. Roy is a friend and always will be. He and I met way back when we moved to St. Rose. We were Charter members of the St. Rose Volunteer Fire Department. He also drove the ambulance for me the EMT when the St. Charles Parish Hospital Ambulance started up and we, VOLUNTEERS got it rolling and made it into what it is today. We will meet again, and until then we will carry on. Many condolences to your family. I know they are every bit as good as you are! Craig N. Melancon, NRP

“ I grew up with Roy. We rode Bus 9 together, as students at St. Charles Borromeo. We did our first Communion together. We did our Confirmation together. We played together, both at school and in St. Rose. As the years passed, we did not get to see each other as much as I wanted, but when we did cross paths, the years melted away, and we were as we were many years ago. I will miss Roy very, very much

Eternal rest grant unto him oh Lord, and let Perpetual Light shine upon him. May his soul and the souls of the faithful departed rest in peace. Amen.

“ I knew Roy as a classmate and friend since 1st grade through 12th grade at St. Charles Borromeo School. We lived a few streets away from one another for many of those years. He was always a nice and friendly guy to everyone. I moved away to California in 1979 but when I would come back to visit family, I would run into him and he always ask, "When are you going to move back here? You can't like it out there!" He even mentioned this at our 40 year class reunion a few years ago. May he Rest In Peace and love in the hands of God. 🙏

With sincere thoughts and prayers,

“ I had the pleasure of meeting and visiting with Roy and Freckles. From a distance, looking at his stature you would think that he would have a hard shell type personality but after the first conversation with him I felt that he was truly a kind and straight shooter. He was very approachable and friendly. He had a great heart and very great personality and he made me look forward to seeing him again.

He will be missed by all and my utmost and deep condolences go out to Billie and his entire family.

“ For my life long friend and brother firefighter, you left a void in my heart and soul that will take a long time to ease... Although I know that you are in a better place and in great company, that still does not mean that you are Amos and will always be missed..... Love the talks we had and the fun and things we experienced on the job since we were both young men. Love and Prayers to you and your Family,

“ I met Roy back in 1986 while Fire training together, when I was full-time with Third District Fire Department. He would later be my partner at Third District on "A" Platoon where he worked part-time. We had many of great times together; although his snoring at night sucked the dust off the blinds. I use to throw my boots at his bunk to make him stop. lol Then as it turned out I went into Law Enforcement too, and shared many of great longgg lunches with Roy. He was funny and a good man. He will be deeply missed.

My Condolences go out to his Family and Friends.

Love, Wayne
