“ *Uncle Roy and Aunt Gert were like parents to me when I was younger. Aunt Gert's sister Eloise is my momma and they let us live with them for a while. Myra, Gail and Carol were like sisters to me and my sister Kathy. I remember one time Myra had done something that Uncle Roy had told her not to and we were standing next to each other and he mistook me for Myra and switched me, he was so upset because he wouldn't hurt you for anything . I have such fond memories of the whole family, haven't seen them since they came to momma's funeral. We haven't seen each other a lot since we all grew up but the love will always be there. I'm so sorry for your loss my dear cousins, love and prayers to all of you, Lorraine.*

“ He will be missed by all of you. I can remember Carol and me getting a switching by him for painting turtles in the back bedroom of the house. God that seems a lifetime ago. My prayers are with you all. Please keep in touch. I am in Dallas and won't be able to come home. Hope to see you all in November. Love Debbie Wheat Harrod
