“ To aunt Sadie’s family I want to say how much I loved her and how much she will be missed. I don’t think I ever met such a beautiful soul as she was. Such a joy to know. And as a lady friend if a cousin I lost said when she passed. “She is now enjoying the beautiful vision

“ You are going to be dearly missed my dear sister Sadie. We were so glad that you finally were able to come back to MA with us even though it was short and sweet. Wished you could have enjoyed your journey back with us more. We had lots of fun together. Will miss going to the Y with you and playing games. Most of all our time spent together picking beets and pickling them. You found joy in doing this. Always willing to give a helping hand. Love you very much. Till we meet again. Rest in Peace my dear Sadie. ❤️🙏🕊️
