“ *I miss you so very much, Mom. I still find myself thinking of you and talking to you when I miss you. Every time I see a dragon fly, I'm reminded of your beautiful soul. Not a day goes by that I don't think of you and miss you more every second. You will always be my mother in law. <3 I love you. Love always, Tabby*

“ To the woman who gave me almost six years of love, family, laughter and happiness. You were the best mother in law I could have ever dreamed of. I miss you more than words can describe. You gave me several of the greatest gifts in my life, my husband, my sister I always wanted and another mother figure. I am so blessed to have been apart of your life, even if it wasn't as long as I'd like. I will cherish our conversions, memories and time together. Please watch over us. I hope all of us make you proud.

Love always,  
Tabby

Sally was my second cousin. When we were younger, we used to have family reunions at our house. It was always fun hanging out, getting reacquainted and eating lots of great food. I am thankful for the good memories and so sorry to hear that her life has ended so soon. Praying for those left behind.

*My sincere condolences to all of Sally's family. I am also a second cousin to Sally and share fond memories of our family reunions when we were young. She was one of the sweetest and most kind souls I have ever met. I was so sad to have just heard that she passed away. My family and I are keeping Sally and her whole family in our prayers.*
