Full of a love for life, Patrick relished spending time at the family farm in Carthage MS hunting, riding off road vehicles and exploring. He had a deep appreciation for the world of fantasy and imagination. He loved graphic novels, games like Magic, The Gathering, and Dungeons and Dragons. Most of all he loved playing video games and shared that love with his niece and nephew who spent hours learning tricks and skills from him.

“ *We have so many wonderful memories of Patrick. We loved spending time with him at the beach. Patrick would play with the kiddos - Digging holes in the sand, teaching them some gaming skills, and making puzzles. He was such an amazing person and we will miss him very much. Sending our sincere condolences all his family and friends.*
