“ *Sandra when I first started teaching at Saint Christopher you took me under your wing and we became fast friends. We have so many wonderful memories together and I was so glad you eventually taught my daughter. My heart aches knowing that I will not get to see you and laugh with you again. My thoughts prayers are with your family now ,until I see you again my friend. Love, Tina Soter*

*I'm so saddened for your family. Sandra taught all three of my children and usually sat right behind my mom and me at 11:00 AM masses each week. I know your hearts are broken and my prayers are with you. Sandra, I'm sure, is reaping the reward of having taught so many children to love their faith. I can just picture her satisfied smile!*

“ It is so hard to know what to say. We have been neighbors for 40 years. Watched our kids grow up and have their own families. Most of our conversations were about husbands, our children and grandchildren. Sandra was a very caring and loving wife, mother, grammy and friend. My condolences to her family. You are all in our thoughts and prayers. Donna and Ronnie Vega

“ Our prayers are with her family, both her personal and SCS family at this time of sorrow. She touched the lives of all my children at SCS and was a favorite of theirs, and mine as a parent. She will be leaving a big hole to fill on the SCS staff and sadly missed by all. " The Sharbonno Family

Sandra taught all my children and grandchildren. She was respected, truly made a difference and a cherished memory for many. Sandra, loved her family and will be missed. My prayer is that God's love and peace will be abundant to all who love her. and may she be greeted by Our Lord with opened arms, in heaven, Sincerely, Brenda Otilio Albro

“ Mrs. Savoie was one of my favorite teachers and always one of the first I'd go find when visiting SCS. She was my Spanish teacher, my Religion teacher, my homeroom teacher. She always made sure what we were learning mattered. I remember she gave me my first F because I failed to turn something in and I went to see her. She so gently told me that she would not change my grade. She made sure I knew that she cared and that's why I earned the grade I did. Her dedication to us and the way she loved us inspired me to want to do well for her. I will miss her smiling face when I walk into SCS. I will always remember her sitting at her podium teaching with such power and love.

“ Sandy and I were in the same schools as children then again through Riverdale High School. We shared a special bond as sorority sisters as well. Sandy and her sister, Wanda, were two of the nicest girls you ever met. Always kind, gentle, and loving. Sandra always found the best in people and always had something nice to say about everyone she knew. She was a wonderful daughter, sister, wife, mother, and teacher. She will be greatly missed and always loved. We'll be reunited as sisters one day, my friend. XOA sisters forever! Love you, Sandy!

“ Sandy was a friend of mine for nearly 60 years. We went all through school together, both of us attended St. Christopher Church, we played at Cleary Playground, and she lived across the street from me for a few years when Chauntie was a baby. Chauntie even called my dad "Honey." The world was a better place when Sandy was in it, and I am heartbroken that she has left us. Love you Sandy.

*i, as many of us in the neighborhood, have always enjoyed seeing Mrs. Savoie's decorations for every season. And it was a connection to the good old days when my children were at SCS, and all had experienced her caring ways and love for all the students. In fact that was my first reaction, she can't be gone, her Halloween decorations are up! All of our thoughts and prayers go out to her family, she will be remembered fondly.*
