Scott Joseph "Scotty" St. Pierre, passed away on Wednesday, August 20, 2025 at the age of 58. He was a loving Son, Brother, Husband, Son-In-Law, Father, PawPaw, Paran, Uncle and Friend.

He was born in Lutcher, LA and a resident of Destrehan, LA. Scotty graduated from Destrehan High School, Class of 1986. He worked as Chief/Director of Engineering for 37 years in New Orleans Hospitality.

Beloved husband of Michelle Vicknair St. Pierre for 36 years. Loving father of Codie St. Pierre Chauvet (Andrew) and Casey Lynne St. Pierre (Logan). Grandfather of Austin, Charlie, Carson and Oakley. Son of Robbley St. Pierre, Jr. (Reine) and the late Sandra Toups Perilloux (the late Emile). Brother of Todd St. Pierre, Robin Brock (Scott), and Terri Boudreaux (Kyle). Also survived by many nieces and nephews.

Scott loved his family tremendously and cherished his time with his grandkids. He enjoyed watching them play baseball, tee-ball, softball, dancing, tumbling, fishing and swimming. He was a wonderful and kind soul always willing to help someone in need. He never met a stranger as he would talk to anyone at any time - joking around all the while.

Thank you to everyone that has ever worked with him over the years. You

were truly an asset to him and his family, especially Toby and his team for keeping his lil red truck on the road. Thank you to the nurses and doctors at East Jefferson General Hospital for doing everything they could to care for him and support our family. He will be missed by everyone that has touched his life especially his grandkids and his loving pups.

“ *Scott and his family had a way of making you feel welcome and like you were part of the family immediately. He went out of his way to help my son through a tough time. It was so apparent how much he loved his family, especially those grandkids. It saddens me that they have lost their paw paw so early. God is good and I'm sure He will have Scott watching over his family.*

“ *The Many memories I have of Scotty is when he and Troy were growing up. The sweet boys, and the friendship that they had was priceless. Then the marriage to Michelle and of course, the beautiful daughters they had. Scotty was special and his personality Just consumed you with delight in knowing him. I can't even list all of his qualities. Every time I look at this picture, I remember the funny laughs that he had. The person that would help you with anything and the dedicated friend he was to my son, Troy. I am asking God why he took this beautiful man? The only thing I can come up with is that God wanted an angel to be by his side, so Scotty could make him laugh all the time.*

Thank you for the wonderful kind words Ms. Margaret. Tears are flowing while I'm reading this as that was Scotty in true form. He loved Troy like a brother and cherished his family. I feel comfort in knowing he's up there watching over all of us, especially his grandkids.. Thank you again for the love and support.

“ My sweet brother, Oh the memories that have crossed my mind in the last couple days. From me hitting you on the head with a mirror to give you bad luck because you tattled on me 😭 To the phone call I had to make to tell you I just went through the ceiling and messed up your fresh sheet rock job. You just laughed, shook your head and came fix it. I'll always cherish our memories. You were a great person with a heart of gold. Your love for your family will always be cherished. Rest in peace brother, your work is done here until we meet again.
