“ *My name is Angel, I am one of Jehovah's Witnesses. Loss of a loved one can be painful to endure, but the bible can offer us comfort in our time of grief. John 5: 28, 29 tells us of a real hope of being reunited with our loved ones we have loss in death. We look forward to the time when we are reunited with our loved ones we have loss, just as Jehovah has promised. If you would like to know more about what the bible teaches or about the resurrection hope, please contact your local Kingdom Hall for a free bible study. Your family is in my thoughts and prayers during this difficult time.*

“ *My husband, Warren, and I got to know Johnny at the Red Onion Restaurant in Metairie, LA and became very good friends. He was a good friend to the Martin family and took Jeanette anywhere she needed to go when she got up in age. We enjoyed our relationship over the years with Johnny. He was a good soul. My prayers are with the family at this time.*

“ Sorry to hear about Mr. Johnny's passing. He treated my family as if they were a part of his. The most charming and likeable person to be around. He will be sadly missed.
