“ *I've known Shane since the ,5 th grade at Norco Elementary. He loved the song " Faith" by George Michael. He would sing it all the time. He was always trying to get others together, to make them feel a part of something. He was a kind soul. God bless , Shane. Now you can rest with no worries. ❤️❤️❤️❤️*

“ *My heartfelt sympathy on the loss of your dear loved one. Though death is difficult to deal with, the Bible speaks of the time of a resurrection. Our loved ones who have died will live again in perfect health. For now, your loved one is resting no longer in pain and waiting on our loving heavenly Father. Take comfort in that beautiful promise from God.*

“ *Shane was very welcoming to my son and I when I first moved down here and was meeting everyone for the first time. He was very helpful and always showed family came first and if he could help you with something he would do it out of the kindness of his heart. I know he will be sadly missed. Don Sardenga and Michelle*

“ *Hey paran, I just wanted to share about the time when you took me and Haylie for a fun day. We went play putt putt etc, but then my favorite part was when we got to the restraurant and me you and Haylie kept shooting lemons seeds through the straw at random people 😂😂 I love you so much and I'll miss you forever*
