“ Larry, This is a voice from 50 years ago ... back when we were all kids. I read about it in the paper this morning. I remember both of you very well ... from Calvary Reformed and Sharon from Thornridge. I'm so sorry for your loss. Carol (Santefort) Oostman

“ Larry,
I am very sorry to hear about Sharon's death. My time at Taft was special and one of the reasons was Sharon. She was a delight to work with and of course we had to hear about her dogs every morning. I remember once I finagled some money out of John Wittliff and Sharon led the team that selected the colors to repaint our Purchasing department. The original pukey lime green decor had to go, and Sharon convinced me that mauve was the perfect selection. Of course I was shocked to come in on Monday after the painting over the weekend to find our Department was painted in funkey pink! We all took some kidding over that but Sharon and her team loved it. She and I also shared memories of listening to WLS Chicago when we were kids. I enjoyed talking and working with her...she was a delight.

“ Larry, I was so very sorry to hear about Sharon's death, but those who knew her knew she was a woman of immense faith and we know that she has been welcomed Home by her Heavenly Father with the words, "Well done, my good and faithful daughter." What a delight Sharon was . . . one of my fondest memories of my time in Luling was my first visit with you and Sharon over at your home.

I know that you will miss her deeply . . . you and Sharon had such a special relationship. Larry, I will be remembering you in my thoughts and prayers as you grieve your loss praying that God will send His angels to surround you in comfort and in that peace that comes in knowing Jesus the Christ as Lord and Savior and as your Prince of Peace.

May God's comfort wrap around you.

Larry,
I am so sorry for your loss. I worked with Sharon at Taft in Purchasing. She was bright, funny, and a joy to be with. She was taken from this world much too soon.
