“ *To Mai either lol you will be missed dearly. You are not just a Father-in-law to me you The father, I never had you always there to comfort me as a father when I needed it always gave me encouragement like a father would give a daughter. I will miss you so much all my trips to Amelia into the casinos, and the trips we took did Tunica Mississippi. I'll never forget the day that you surprise me taking a little trip to Memphis Tennessee to see Elvis Presleys mansion. I will keep you in my heart forever. Love always your daughter-in-law Lilia*

“ Dear brother, Joe, you've been a guiding light in my life. You have been a wonderful role model as a loving and devoted husband, a very caring father, a doting grandfather and a beloved uncle.

*When Stacie and Toby were young, you'd invite us to join your family to watch parades. Those memories are so sweet as you made us feel so welcome.*

*When I was a single parent, you took us under your wing and helped me whenever I had car troubles. Your caring and concern made us feel safe and protected.*

*Your sense of humor and wit were as good as any comedian. I'll never forget when I rushed to the ER when you broke your leg and you were doing a comedy routine for the professionals attending you. What a relief it was to see you joking around after a serious injury. I think it was just in your nature to comfort others.*

*Your ongoing funny phone calls had Don and I giggling, whether it was a weather report, or a made up story of a lady "meter reader" who would ticket you if you talked too long.*

*You had a positive effect on your brother-in-law, Don, as he noted that your calls were always encouraging and uplifting no matter what was going on in your life. He always admired how good a man you were. You were also an excellent role model for your nephew, Toby, as you've had a lasting impact on his life from the close connection you all shared.*

*I believe everyone who knew you in any manner were touched by your sincere caring and concern for their welfare. That is why they will have lasting memories of how good you made them feel.*

*You will be deeply missed as you left an indelible mark on our hearts. Our hearts are sad now, because our love for you was so big.*

*In closing, my deepest condolences go out to his sweet and loving wife and his wonderful children and grandchildren.*

*Our love for you, Joe, is endless!*
