“ *Very sad to hear of Shirley's passing. She loved life and always had a smile whenever we would meet for family gatherings. Many years ago she and I had this "thing" about always running into each other at J.C.Penney's. Somehow when ever I was shopping - she was coming from the salon looking like a million. She would sneak up behind me and we would tease about which one of us owned the store! Somehow we were always there at the same time.*

“ *The special bond I shared with my Maw Maw was a true blessing. She was a Gift from God. Not only was Maw Maw a Great Grandmother, she was a wonderful Mother and best friend to many.. Her unconditional love was freely given. She was a remarkable women, a wonderful combination of warmth and kindness, laughter and love.  
She was our matriarch.*

*Thank you for your infinite love and wisdom, for all that you taught me.*

*For the knowledge and joy you brought to the lives around you. Thank you for being my hero, someone to lean on, and my best friend.*

*You have shown me what it means to live a life of fun, laughter , kindness and generosity. You are a one of a kind, thank you for being you.*

*I loved your stories and the time we spent together. I loved the excitement in your voice when you talked about playing baseball when you .were a little girl and I loved when we played cards, ping pong, spent time outside gardening, and watching our beloved Saints football. I will carry our wonderful memories throughout my life.*

*Please know you were my blessing and will be loved always and forever.*

“ Ms. Shirley was one of the kindest, wittiest person that I've ever met. I know now where Karen and Gale got their witt from! I reconnected with Ms. Shirley in 2016 and I was so blessed to be able to see her every week to not only style her hair, which was very important to her , but also I enjoyed her company from the time she walked in the shop she would make us laugh and we would start dancing with her, She loved that and everyone at Snipps loved seeing her having a good time!!! She made friends with all the customers in the shop and everyone loved talking to her and hearing her stories from the past! I always had to have some kind of food or treat for her or she would get on me !!! I loved every minute of it! She was surely a special lady and will be missed by all of us at Snipps but mostly I'll miss her and her kisses! Love and God Bless you Ms. Shirley!

“ *I've been incredibly blessed to know and spend precious family time and numerous holidays with Ms. Shirley over each of the past years. What a truly beautiful person, inside and out - always cheerful, grateful and loving, and always at the height of joy just to be among her loving and fun family. It has been a privilege not only to know and love Ms. Shirley but to have had so many precious times and moments with her in our home the last many months. I adored how she would light up or exclaim "Wow!" when she saw a beautiful plant, flower or tree. I adored her unbroken allegiance to the New Orleans Saints, her steadfast focus on the wellbeing of her family, and her deep-seated quality of seeing the beauty in others. I especially loved her gentle and kind nature, for she was a terrific example of what it means to be human and a great person. I will miss Ms. Shirley and the beautiful heart she leaves behind for a very long time to come. Rest In Peace, my friend. ❤️*
