“ Dear Mrs. Shirley, we didn't get to take that girls Lucheon Sandy said you wanted to do because you was taken too soon. When Sandy said that you wanted to go I was so excited I could not wait for that day, but time was not on our side. On June 1, 2005 Aunt Helen Naudon was taken from me and 7 years and almost to the DATE you was taken from Sandy, Beth, and your other children. You are leaving your love ones here that will miss you more then anything, but you are going to be with love ones who long to see you again. You and Aunt Helen have a lot to catch up on. You will always be on my mine and I will never forget you. To Sandy, Beth, Mary June, Susan, Richard, and Michelle my heart goes out to all of you. She may be gone but will never be forgotten. Please accept my deepest sympathy on your loss.

Where to begin? Shirley was the sweetest, kindest person I've even been priveleged to know. She radiated warmth and caring beyond words. She had a special knack of making you feel you were the most special person in her company. She never boasted, complained and always had a sweet word. I will miss our lunches . She looked forward to a girls luncheon, but not as much as I did. I never heard her complain. She gave me a candle with the word LOVE inscribed, I never lit it but I will now, because love is what she was all about. She made an impression on my life forever. I will miss you my wonderful friend. You are the brightest star and you will live on forever in all the lives you touched. Best of love to family and Sandy. I love you Dear Shirley.

Love, Linda
