

Sidney Joseph Modica

September 23, 1966 - January 8, 2019

Sidney Joseph Modica passed away unexpectedly Tuesday, January 8th. A native of New Orleans and resident of River Ridge, he was 52 years old. Beloved husband of Vincentia “Loli” Modica. Son of Theodore Modica Jr. and Sandra Reed. Loving father of Vincenza Roques, Kenny Roques (Michelle), Stephen Roques (Amanda), Joshua Conard, and Michael Modica. Devoted Grandfather of Emma, Vincenza, Kayson, and Lucca. Brother of Patricia Workman and Theodore Modica (Beth).

A lifetime enthusiast of football, he played as #73 for Redeemer High School and was a faithful fan of LSU and the Saints. After high school he served in the Air National Guard for six years. A true man of God and devout Christian, he spent decades assisting in ministries. Many of his closest friends were found through his church community, including his wife. His fondest memories were from his time with the Children’s ministry projects. From driving buses to teaching classes, he was able to touch the lives of so many through God. A firm believer in spreading the good news, he was a leader by example of God’s love, and trusting in God’s plan.

He believed his wife was his greatest blessing along with his children. Married for 22 years, he was a very loving and devoted husband. As a couple they showed others the true meaning of support, compassion, and putting God first in marriage. Their union will always be a testament to God’s blessings carried on through all of the lives they touched, and especially through the lives of their children.

Known fondly as Papa and Papa Bear, his children and grandchildren were his joy. Always ready to fix things before the repairman could arrive, drive someone to practice or school, and provide the first hug when someone was in tears, he was also the first to crack a well-timed dad joke to lighten the mood.

An avid traveler, he enjoyed traveling with his family often. He was able to enjoy more travel through his IT position with World Wide Technology as a Senior Storage Engineer. He felt blessed to find a position in which he thrived with such a caring company where many of his peers are now among his dearest friends. In addition to traveling, exercise was another favorite hobby. He found great support and friendship at F3 and Iron Tribe. He was always grateful for the changes they helped instill in him on his health journey.

An emotional rock for his friends and his family, his jokes and his hugs will be forever missed. His family is truly grateful at this time for the support of World Wide Technology, Victory Fellowship, and all their friends and family. In lieu of flowers the family is asking that people send pictures and stories of Sid's life to sidpapa@gmail.com. A Memorial Fund will be set up for a college fund for his youngest son; please send requests to donate to sidpapa@gmail.com for information.

“ *I worked with Sidney for many years at Hewlett-Packard. As consultants, we were always on the road. Rarely did we have the opportunity to work with another consultant. The few times I was onsite with Sidney and the many years of conference calls and emails, he was always professional and always kind.*

A good man!

“ *My condolences to the entire Modica family. This news comes as a shock to me. Sid was a colleague and a friend after working with him many years at HPE. He was a dedicated, intelligent teammate that brought confidence and friendliness to every engagement we worked on together. Customers and workmates enjoyed his stories, his welcoming nature and his focus. He will be missed by his extended family at HPE. My deepest sympathies to his family, friends and other loved ones.*

“ This is a very sad news. Sid was a wonderful person and will greatly be missed. I worked with Sid for many years at HP/HPE. As it often happens we do not always get to meet all the people we work with, but I was fortunate to meet Sid when he came to work in Austin. i always enjoyed working with him, but meeting him in person, I actually got to see what a good person he was. He talked about his family and how much he loved them and missed them during the week when he had to travel. I am so glad these last few years he was able to find a job that allowed him to enjoy more family time. My heart and prayers are with Sid's family.

“ Sad now. I worked with Sidney for several years at HP. On occasion we would get assigned to the same customer and give us a chance to actually meet up. Sidney was always fun to work with and share stories over dinner. And I'll remember the king cakes. Geaux Tigers!

“ *Sid was always the best. He was always a great friend. He would always help you in any way that he could. He had a great big heart, and would always give it away to those around him. Sid and I were close years ago. We went in different directions, as people so often do. Sid was as precious as they come, and he will be greatly missed by those who knew him well. I am so sad that he is no longer with us, yet I rejoice in the greatest consolation there could ever be....SID IS WITH JESUS NOW....REJOICING LIKE WE CANNOT IMAGINE...AND WE WILL SEE HIM IN GLORY NOT TOO LONG FROM NOW!!! I will always love you, Sid Modica!!!! George M. Woodward*
