

Stephan Grey "Bubby" Osbourn

November 11, 1993 - February 20, 2022

On February 20th, 2022 Stephan Grey "Bubby" Osbourn was reunited with his lord and savior.

Devoted father of his only son, Kross. Beloved son of Jessica Lauer and John Osbourn. Loving grandson to Jack Lauer, DellMara Lovell and Cathy Osbourn. Preceded in death by his grandmother, Alva Lauer "MawZee" and grandfather, Weston Osbourn. Nephew of Gretchen Lauer Berger and Andrew Berger, and Robert, David and Philip Osbourn. Godchild of Eileen Corkern. Loving brother of Savannah Osbourn. Cousins whom he loved dearly, Brynn, Rex, Ariel, Gary, Tia, Cooper, William, Jonathan, Sean, Autumn, Mia, Josh, Richard, Dannielle, Stephen, William, Jo and Ray Ryan, Reed and so many others. Best friend of Albert Turley and Joshua Bataglia (Christine).

Stephan was known for his deep devotion to family, friends and animals, he leaves behind his dog Biggie whom he rescued from death's door and loved beyond measure. He was passionate about fishing, video games, cars and most of all helping all those who were in need. He never met a stranger and his smile was contagious. He was his mother's best friend and closest companion.

Our entire world changed this day and we will never be the same again. His future was bright and he was a light to so many. He loved unconditionally and in return was cherished by all he touched. He never stopped trying to do better and in his darkest hours turned to all who loved him dearly.

It is with inconceivable sadness we announce his departure from this world.

But it also with joyful hearts that we believe he is with Jesus and his MawZee and all of his many friends who've gone before him. We ask that all who struggle know they're not alone and to seek help and support.

“ *When Stephan was younger he always had everyone laughing. I remember Jessica always calling him her silly boy. After reading the memories I see he didn't change a bit. He will be missed dearly by everyone. Sending you and your family healing prayers and hugs.*

“ *You were so sweet and funny. I worked with you for a few months and always looked forward to it because we always had so much fun working together. We would laugh constantly. You can tell he cared so deeply for his family and friends, and was very passionate about it. Nothing I say can take away what happened, but I just want his family to know that he made an impact on me and I will never forget him. He was good. A good, genuine guy who just got wrapped up in the wrong things from time to time. I just wish we had more time together, but im sure everyone who met him wishes the same. He just had a beautiful soul. My deepest sympathies go to his family, friends, and loved ones. I can't even imagine..*

“ As his mother there’s endless good memories but my most cherished is holding him for the first time and feeling our bond from the first moment I embraced him.

The laughs, the pranks, the great times will keep me going until once again we are reunited.

Until we meet again son, I will cherish everything you left me with & I will make certain that Kross has the best of everything I have to offer.

Love lives On

My precious angel, you Rest In Peace & enjoy the miraculous heaven surrounding you.
