Although I did not know Woody, I know that he did a lot for VRC, and was a great friend to the rescues. God bless you, and I will keep you in my prayers.

Rick and I were shocked to hear about Woody's passing. He was a great neighbor and we looked forward to his calls to catch up on the news of Pensacola Beach.

You are all in our thoughts and prayers.

“ *Dear Bridgett,*

On behalf of myself and everyone here at Boland, please accept my sincerest condolences for your loss and my apologies for missing Woody's services. Unfortunately I did not know of the services until late yesterday (Thursday/day of) afternoon. Your husband was well respected in our industry and his passing came as very surprising unfortunate news.

My sincerest regrets,

“ *Dear Bridgett, Michael, and Stuart, We both are both so saddened to hear about Woody's passing. He was such a good person and neighbor...as well as an animal lover! He called to tell me about a new puppy that you all gave him for Father's Day ...he was so pleased and very happy! Just know that our thoughts and prayers are with all of you. Sincerely,*
