

## Susan Mary Fagot

July 17, 2019

Susan Mary Fagot passed away on Wednesday, July 17, 2019 surrounded by her loving family. She was a native of New Orleans, LA and a resident of Kenner, LA.

She was the deeply loved and adored sister of Mary June Glenn, Sandy, Beth, Michelle and Richard L. Fagot, Jr. Loving niece of Jane Tortorice. Much loved sister-in-law of Barbara Fagot and Kyle Glenn. Adored aunt of Albert Heavener (Vanessa), Kristen Kindon (Eric) and Kimberly Fagot. Great aunt of Andrew Kindon. Daughter of the late Shirley Fuselier Fagot and Richard Fagot, Sr. Susan was a very hard worker, generous, caring and the most unselfish person you could ever meet. She was the family caregiver, always putting everyone else's needs and concerns ahead of her own. The world is a far lesser place without her. Susan leaves behind many broken hearts. Until we meet again, rest peacefully in God's loving arms.

Relatives and friends are invited to attend the visitation at L. A. Muhleisen & Son Funeral Home, 2607 Williams Blvd., Kenner on Tuesday, July 23, 2019 from 9:00 a.m. to 11:00 a.m. followed by a Funeral Mass at 11:00 a.m.

“ To my darling sister,  
you were beautiful in every way. Thoughtful, caring, and generous  
to a fault. A razor  
sharp wit that brought much joy to all.  
No words would ever have been adequate enough to tell you how  
much I loved you,  
nor could I have ever thanked you enough for all the times you were  
there for me  
when I needed you most. Nothing was too much trouble for you. I  
could not  
have gotten through the rough spots if not for you. I cherish every  
moment we  
spent together. I am so proud and so very grateful to have had you  
for a sister!  
I will miss you all the days of my life, and things will never be the  
same.  
My darling sister, i'll love you always, and we'll be together again  
some day.

Michelle

“ Susan had a quiet, unassuming dignity about her. She always  
helped others when needed. It was a pleasure being her brother-in-  
law. She will be greatly missed.

“ *My Sweet Angel Susan*

*I love you so much. I don't know or understand why you were taken from us so young. It has ripped my heart out.*

*You were the closest and most special person in my life.*

*You took care of everyone and put your needs last. You devoted your life to family and the way you took such special care of me and did everything for me was incredible. I could never repay you for that.*

*I'm really struggling to cope with all this. We have a giant void in our family*

*now. We have such beautiful memories that just the two of us shared.*

*I promise you that we will take care of each other the way you would want*

*us to. The only consolation I have is that you are with God and in the loving*

*arms of mom and dad. Don't you and daddy cut up too much.*

*My love forever*

*your loving sister Sandy*

“ *I am in such disbelief you are gone my dear sister, I cannot wrap my heart and mind around that. You didn't go alone we were there with you. Our home will never be the same with one huge empty space!. The Christmas lights will go dim no one there to help me hang them. (or take them down). Who will tether Snoopy so he doesn't blow away in the December weather? Yes these lights will go dim but not the light in our hearts that light will always shine brightly in my heart for you. Now when I look up to the stars the North star won't be the brightest it will Be the "SUSAN STAR" Rock on" Shirley Police" Rock On!. Love Beth*

“ Oh my "Ooie" - I love you so much! I'll never forget your quick wit and sense of humor. You always knew how to lighten the mood and make everyone laugh. Your tales of the drive-thru experiences were my favorite. I was lucky enough to be with you on a few occasions, but your retelling of it made it even better. Words cannot truly express what you mean to me. You were always so caring and loving to me. You're one of a kind and there will never be another Ooie.

Your loving nephew,  
Albert

“ Dearest Susan Mary, I will miss your wit and funny sayings. (ain't that sick!!). I will always remember when you got home from school and kicked your shoes off and one ended up on the roof of the house! You took care of Albert and loved him so much and I thank you for that. I am sickened that you are gone from us. However, you are no longer suffering and are with mom and dad. I bet you are folding the angels's towels right now! Good bye my sister but just for now. Loving you always, your big sister, June
