

Terry Lee Baskin

May 30, 1962 - April 5, 2023

Terry Lee Baskin passed away on April 5, 2023 at his home in Jefferson, LA. Terry was born on May 30, 1962 at Sara Mayo Hospital in New Orleans. Terry was the loving son of the late Nora Eugene Baskin and Nora Mae Baskin. He was preceded in death by his twin brother Jerry Lee Baskin and sister Claudia Mae Baskin.

Terry was a musician, who enjoyed playing the piano and listening to his oldies but goodies. He also loved playing Dominoes, Spades and Checkers. The thing he loved most was cooking red beans with smoked neckbones over rice. He was a very outgoing person who made friends easily. His love for his family was more than words can express, they were his world. His jubilant smile will surely be missed by all who knew and loved him.

Terry leaves his siblings to cherish in his memory: Dwight (Gilda), Larry (Bonnie), George (Barbara), Paul (Betty), Frankie, Vera, Sheila, Shirley and Bertha. He also leaves a host of nieces, nephews and cousins.

Relatives and friends are invited to attend a Memorial Service at 3:00 PM on Saturday, April 15, 2023 at L.A. Muhleisen & Son Funeral Home, 2607 Williams Blvd, Kenner, LA 70062. Visitation will begin at 1:00 PM. His repass will be held next to the Shiloh Missionary Baptist Church (Tutt Building) located at 1419 Fourth Street, Westwego, LA. The family would like to express their deepest gratitude to L.A. Muhleisen & Son for the services rendered.

“ My prayers are the family, I knew Terry he lived next door to me when he was a youngster. I knew his parents. Hopefully he is resting in the arms of the LORD 🙏🙏

“ My brother Terry was one in a million. It made me so happy to see you enjoy yourself at my retirement party. A forever laughable memory in time. Really, to know him, is to love him. He was the kind of person who kept you laughing until you pee yourself. LoL 😂😂 🤔. But, the thing you would remember the most about him is as my daughter mention in her post, "Gimmie \$2 dollars" !!! REST IN PEACE MY DEAREST BROTHER... 🙏🙏🙏
