“ I don't know if you remember living a couple of houses down from us on Utica Rd in Utica Michigain in the nid-1950's but at the time there were 6 Feslers and how many Donovans running around together? Your Mom and mine became, how do I say this, best friends and stayed in contact with each other for over thirty years. I don't remember much but I do know that if we weren't running in and out of your house we most certainly were all running in and out of the Fesler house. Your Mom made us feel like part of your family and vice versa with my Mom. My mother will miss your Mom and the letters very much but know your mom is in a better place now and not suffering. Take care and Bless.

“ I will always remember when Aunt Theresa and Uncle Marty came to visit our family a long time ago. They and my parents (Mike and Madelye Holoweiko) were playing cards at the dining room table at our house on Lyman Drive in Lansing, MI, when her blood sugar went low and she became unresponsive. Scared me good since as a child I had never seen this happen before. Anyway, we got her some OJ and she was back to her normal cheery self in no time. She had an amazing spirit!

Always thoroughly enjoyed talking with her :-)

God bless you Aunt Theresa! Blessings on all those you have left behind, family and friends.

“ Aunt Theresa will be sorely missed. I always felt a bond with her simply because we were both nurses. I treasure our visit of a couple of years ago when Rick and I got to spend time with her, and take her out to dinner. We will pray for our cousins and their families who have lost such an important person in their lives. God bless and keep you, Aunt Theresa. You will always have a special place in our hearts.
