“ *Tommy and I both loved video games. When I was a kid he let me borrow a bunch PlayStation games. One that stands out was Twisted Metal 2 (1996). My friends and I had a blast with that game and played the hell out of it for a long time.*

My best memories with Tommy are the many Mardi Gras we shared together. I thank him for camping out there many times to get us a good spot no matter what weather.

Tommy I love you brother and hope to see you again.

“ It still doesn't feel real. We have been together since I was 19 and you were my best friend, husband and a wonderful father to our boys. I will love you forever. You are gone too soon. We had so many plans and I promise you I will still try to fulfill each and every one. I love you baby! Please keep watching over us. Good Night, God bless you I love you.
