We have only known each other a short time but feel blessed to have had you both for neighbors. We will never forget Tommy and all his help when he stopped his lawnmower to help me with my groceries. We will always be here for you Brandie. Sincerely, Karen and Jerry Watkins*

“ I've known Tommy for so many years (the good ole' SCB crew) and every time i've gotten the chance to see him it would bring back so many memories. It's at a time like this that those memories are so important to fight through this hard time, and to hold those memories tight so that Tommy will never be forgotten. My heart goes out to the Cornman family, to Brandi and her family, and to everyone else whoever knew Tommy because we have truly lost someone special. We love you buddy!

“ To all of Tommy's loved ones,

I am so very sorry to hear of his passing. I know that you are all hurting so much right now and no words can take away the pain. Tommy and I went to St. Charles Borromeo together and I will always remember him as being funny, kind and having a big heart and adorable smile. The last time I saw him he asked me how my mom was doing. I shared with him that she was fighting brain cancer and passed away in March. It's little things like simply asking how someone's family is doing, that makes all the difference in the world to someone. Tommy was a wonderful person and the world is a better place for having people like him and my mom in it. Our little class at SCB was a close group, and I am so sad he is gone. I will be thinking and praying for all of you who love him.
